

“STABLE TALK

by Rachel Wakefield

Love is clearly in the air this month as gossip queen RACHEL WAKEFIELD reports on a raft of engagements, marriages and expected new arrivals of the human kind

The girl said ‘I do’

At last. Italian eventer Giovanni Ugolotti has proposed to his long-time girlfriend, Canadian Kathryn Robinson. I had to smile, though, when I saw the picture Kathryn posted on Twitter of her new sparkler (*far right*) as it was several sizes too small. It was accompanied with the hashtag #butisaidyes. Congratulations to them both — #Iloveabitofgoodnews.

Sian Wynne Morris walked down the aisle recently but the lucky girl hasn't dispensed with her double-barrelled surname — she's just got another as she is now Mrs James Davies-Cooke.

Eventer James White has also tied the knot, with dressage rider Linsay Coleridge Smith.

The engagement ring might be a bit small (RIGHT) but loved-up couple Giovanni Ugolotti and Kathryn Robinson look a picture of happiness (ABOVE)
